SPORT CENTRAL ASSOCIATION is an Alberta based Charity that was founded on December 6th, 1991.

- We receive, repair, refurbish and redistribute gently used sports equipment to kids aged 4-17 who may not otherwise have access or opportunity.
- We serve kids from Red Deer, up to the northern border of Alberta.
- We collect equipment for over 20 different sports and recreational activities:
 - Bicycles (pedal, run, tricycles), badminton, baseball, softball, basketball, cross-country skiing, figure skating, football, golf, hockey (ice, ball, inline), lacrosse, leisure sports (skateboards, scooters, & sleds) ringette, roller skates, rollerblades, rugby, snowboarding, soccer, tennis, and volleyball.
- We have 46 equipment donation locations in the Greater Edmonton Area, making it convenient to donate near home or work.
- In addition to the kids we serve through our front door, we have a community outreach program which sends bulk shipments of equipment, locally and regionally, to communities, community leagues, and schools to help build sports related programming.
- We have an equipment exchange program — as the kids outgrow their equipment, they can bring it back in and exchange for the next size.
- We are committed to keeping equipment out of the landfills by repairing whatever we can and recycling materials we cannot (such as rubber bike tires and metal— we recycle over 20 tonnes of metal annually).

LAST YEAR'S IMPACT

- ▶ **2,142** pieces of equipment repaired
- ▶ **2,293** pairs of skates sharpened
- ▶ **1,956** helmets repaired
- ▶ **2,241** bicycles repaired
- ▶ **10,534 kids equipped for sport!**
(48% increase in our services over previous year)

Thank you for supporting Sport Central. With your help spreading the word about our services, you too are **changing lives through sport!**
